TIKGAMES AND CREAT STUDIOS ANNOUNCE THE RELEASE OF INTERPOL: THE TRAIL OF DR. CHAOS FOR THE PLAYSTATION®NETWORK

*Popular Hidden Object Game Comes to the PSN September 10th for Europe,
September 17th for North America*

September 10 2009 – TikGames, LLC (San Mateo, CA) and Creat Studios, Inc. (Canton, MA) today announced the release of *Interpol: The Trail of Dr. Chaos* for the Sony PlayStation® Network. This exciting hidden object game takes players around the world as they investigate elaborate crime scenes while working as an elite Interpol agent. *Interpol: The Trail of Dr. Chaos* will be available for download on the PLAYSTATION3® computer entertainment system, offered via Sony's PlayStation® Network on September 10th in Europe and September 17th in North America.

In *Interpol: The Trail of Dr. Chaos*, players must track down a criminal mastermind and his villainous group as they embark on a sinister path of worldwide chaos and destruction. Gamers will travel around the globe as they unravel puzzles and gather hidden clues from exotic and remote locations, investigating elaborate crime scenes and overcoming treacherous mini-games along the journey. Game modes include single player storyline-based mode (local) and cooperative storyline-based mode (local or online).

“With the release of *Interpol: The Trail of Dr. Chaos*, we are introducing a completely new gaming experience to the PlayStation Network,” said Anatoly Tikhman, founder and CEO of TikGames. “Hidden Object games have proven to be extremely popular, and *Interpol* will be the first to bring this exciting genre to the PSN.”

Interpol: The Trail of Dr. Chaos for PlayStation® Network features:

- A first for PlayStation® Network: *Interpol* brings the popular “hidden object” genre to the PLAYSTATION3. Explore famous places around the world, uncover numerous objects and solve different types of puzzles.
- Over 40 game levels and puzzles that take place in glamorous and exotic worldwide locations such as Hollywood, New York City, Tokyo, St. Petersburg, Monte Carlo, Interpol Head Quarters, and more!
- Beautiful, next generation high-resolution HD artwork that fully immerses the player in the *Interpol* game experience.
- High quality audio and music add life to each location.
- All-new cities and locations created exclusively for PSN.
- A new and compelling storyline created exclusively for PSN.
- Co-op play that allows for up to 4 players to participate in the mission locally or via PSN.
- Mouse and custom music support.

Interpol: The Trail of Dr. Chaos will include PLAYSTATION3 Trophy support and is rated E for Everyone by the Entertainment Software Rating Board for this platform.
